Warning

Do not disassemble. Should repairs become necessary, this product must be sent to an authorized maintenance center. Always keep this product dry. Do not use in rain or in damp conditions.

Keep out of reach of children.

Do not use the flash unit in the presence of flammable gas. In certain circumstances, please pay attention to the relevant warnings.

Do not leave or store the product if the ambient temperature exceeds 50°C. Turn off the flash trigger immediately in the event of malfunction.

Observe precautions when handling batteries

- Use only batteries listed in this manual. Do not use old and new or different types of batteries at the same time.
- Read and follow all warnings and instructions provided by the manufacturer.
- Batteries cannot be short-circuited or disassembled.
- Do not put batteries into a fire or apply direct heat to them.
- Do not attempt to insert batteries upside down or backwards.
- Batteries are prone to leakage when fully discharged. To avoid damage to the product, be sure to remove batteries when the product is not used for a long time or when batteries run out of charge.
- Should the batteries come into contact with skin or clothing, rinse immediately with fresh water.
